

Company Brief

r Plan is a privately owned Consulting Enterprise.
We offer end to end Project Controls Solutions to various Projects / Industries.
We are based out of Mumbai in India and undertake projects within India and the Middle East!

Our service domains include Resourcing (Planning related), Consulting, Training, Development of Planners, Digital Transformation assistance and Project Management!

We look forward to clients who need Services in Oil & Gas / Energy Industry for services mentioned herein and we are passionate to engage Planners / Project Controllers / Project Quantity Surveyors and allied resources with or without experience to associate with us on International Projects!
